This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

YOUR CARE

Your Primary Care Provider (PCP)

When you enroll in this health plan, you must choose a primary care provider. Be sure to choose a PCP who can accept you and your family members and who participates in the network of providers in New England. For children, you may choose a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org; consult Find a Doctor at bluecrossma.com/findadoctor; or call the Member Service number on your ID card.

If you have trouble choosing a doctor, Member Service can help. They can give you the doctor's gender, the medical school the doctor attended, and whether there are languages other than English spoken in the office.

Referrals

Your PCP is the first person you call when you need routine or sick care. If your PCP decides that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist, who is likely affiliated with your PCP's hospital or medical group.

You will not need prior authorization or referral to see an HMO Blue New England network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield of Massachusetts regarding referrals and Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your subscriber certificate.

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each calendar year before you can receive coverage for certain benefits under this plan. The calendar-year deductible begins on January 1 and ends on December 31 of each year. Your deductible is **\$500** per member (or **\$1,000** per family).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a calendar year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximum for medical benefits is **\$4,950** per member (or **\$9,900** per family). Your out-of-pocket maximum for prescription drug benefits is **\$1,000** per member (or **\$2,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

Telehealth services are covered when the same in-person service would be covered by the health plan and the use of telehealth is appropriate. Your health care provider will work with you to determine if a telehealth visit is medically appropriate for your health care needs or if an in-person visit is required. For a list of telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org, consult Find a Doctor, or call the Member Service number on your ID card.

Your Virtual Care Team

Your health plan includes the option for a tech-enabled delivery model where virtual care team covered providers furnish certain covered services, including primary care with integrated mental health and/or substance use care within the patient care team, via traditional and/or digital platforms (such as: mobile app; web portal; telephone; and/or text message). This care delivery model offers a comprehensive and coordinated primary care experience with virtual engagement and seamless navigation to in-person care with network providers when applicable. **For outpatient covered services furnished by a designated virtual care team primary care or mental health care provider type, you will pay nothing (any deductible, copayment, and/or coinsurance does not apply).** For outpatient covered services furnished by a virtual care team covered provider that is not a virtual care team primary care or mental health care provider type, you will pay your applicable cost share (deductible, copayment, and/or coinsurance). To find a virtual care team covered provider or to learn more about this care delivery model, visit MyBlue online or see "When You Need Help to Find a Health Care Provider" in your subscriber certificate, or call the Member Service number on your ID card.

Service Area

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. See your subscriber certificate for more information.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your subscriber certificate (and riders, if any) for exact coverage details.

Domestic Partner Coverage

Domestic partner coverage may be available for eligible dependents. Contact your plan sponsor for more information.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	\$500 member / \$1,000 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. <u>Preventive care</u> , prenatal care, emergency room, <u>prescription drugs</u> , most office visits, mental health services, emergency transportation, <u>home health care</u> , and <u>hospice services</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	For medical benefits, \$4,950 member / \$9,900 family; and for <u>prescription drug</u> benefits, \$1,000 member / \$2,000 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See bluecrossma.com/findadoctor or call the Member Service number on your ID card for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Blue Distinction® Quick Start Guide

Your plan includes the Blue Distinction for Specialty Care® benefit. Knowing how it works will help you get high-quality specialty care at some of the top hospitals in the country.

The Value of Blue Distinction Centers and Blue Distinction Centers+

The hospital you select can have a direct impact on the care you receive and your procedure results. But finding the right hospital can be a challenge sometimes. Blue Cross and Blue Shield companies understand that you deserve peace of mind when making these important healthcare decisions with your doctor. That's why we developed the Blue Distinction Centers® recognition program to identify hospitals with proven expertise in delivering specialty care.

To date, approximately 1,700 Blue Distinction Center designations have been awarded across 47 states in the areas of:

+ Bariatric surgery	+ Maternity
+ Cardiac care	+ Spine surgery
+ Complex and rare cancers	+ Transplants
+ Knee and hip replacement	

We turned to the medical community for input on how to measure hospital performance. Our evaluation criteria are based on what impacts you and your care the most, including:

+ Expertise of the medical team;
+ How many times the hospital has performed the procedure; and,
+ Hospital's track record for procedure results.

The result? Two different recognitions for hospitals that can help inform your search for the right specialty care:

How It Works with Your Plan

Your plan offers you the opportunity to save money by selecting Blue Distinction Centers or Blue Distinction Center+ for certain types of specialty care. In some cases, you may be required to get care at the center to be covered.

This can apply to some or all of the following types of services, depending on your plan.

+ Bariatric surgery	+ Maternity
+ Cardiac care	+ Spine surgery
+ Complex and rare cancers	+ Transplants
+ Knee and hip replacement	

You can check with your employer or Subscriber Certificate for the specifics of your plan. You can also log into Member Central at **www.bluecrossma.com** or Member Service at the number on your Blue Cross Blue Shield ID card for more information.

This does not change how other types of care are covered.

How to find a Blue Distinction Center or Blue Distinction Center+

To get the best value from your plan, you should always ensure you are receiving services from a Blue Distinction Center or Blue Distinction Center+.

You can use our online search at **www.bcbs.com/bluedistinction** to find centers near your work or home. You can then use this information to work with your primary doctor or specialist to choose the right Blue Distinction Center or Blue Distinction Center+ for you.

To make it easier for you to select a Blue Distinction Center or Blue Distinction Center+, your plan might pay a portion of the travel and lodging cost* for you and one companion (or two companions accompanying a minor child). You can check with your employer or Subscriber Certificate to determine if you are eligible to be reimbursed for your expenses. You can also log into Member Central at **www.bluecrossma.com/membercentral** or Member Service at the number on your Blue Cross Blue Shield ID card for more information.

Emergency Care

In the event of an emergency, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). Specialty care authorization rules do not apply to emergency care.

You should contact your treating physician as soon as possible after an emergency room visit to arrange any follow-up care.

Learn More

To learn more about Blue Distinction Centers for Specialty Care, visit **www.bluecrossma.com/bluedistinction**. This site lets you sort and search the most up-to-date list of over 1,700 Blue Distinction Centers and find the facilities that offer some of the highest-quality care in the country.

If you have any questions, please call Member Service at the number on the front of your ID card.

OUR COMMITMENT TO CONFIDENTIALITY (NOTICE OF PRIVACY PRACTICES) AND WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA) NOTICE

This notice describes how medical and dental information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Our Commitment: We respect your right to privacy. We will not disclose personally identifiable information about you without your permission, unless the disclosure is necessary to provide our services to you or is otherwise in accordance with the law.

Collection of Information

We collect only the information about you that we need to operate our business. We collect information from other parties, such as your health care providers and employers. Examples of the information we collect are (i) medical and dental information from health care providers when they submit claims for services and (ii) personal information such as name, address, and date of birth, which is most often supplied by you or your employer when you enroll in a plan.

USE AND DISCLOSURE OF INFORMATION

We are required by law to protect the confidentiality of information about you and to notify you in case of a breach affecting your information. We may use and disclose information about you without your written authorization for the following purposes, to the extent otherwise permitted or required by law:

You or Your Representatives—to you or your “personal representative” upon request or to help you (or your personal representative) understand treatment options, benefits, or the rights available to you. Your “personal representative” is a person who has legal authority to make health-related decisions on your behalf, such as a person with a health-care power of attorney. Your request must be in writing. Please complete the Documentation of Legal Representative Status for Members form available on our website. You also may designate a family member or friend to receive information and interact with us on your behalf. Your designation and any subsequent revocation must be in writing. Please complete the Member's Designation of an Authorized Representative form available on our website. You may also call Member Service for a copy of these forms.

- **Treatment**—to help health care providers manage or coordinate your health care and related services. For example, we may use and disclose information about you to inform providers of medications you take or to remind you of appointments.
- **Payment**—to obtain payment for your coverage, pay claims for your health benefits, or help another health plan or health care provider in its payment activities. For example, we may use or disclose information about you to make coverage determinations, administer claims, or coordinate benefits with other coverage you may have.
- **Health Care Operations**—to perform other activities necessary for the operation of our business, including customer service, disease management, and determining how to improve the quality of care. For example, we may use or disclose information about you to respond to your call to customer service, arrange for medical review of your claims, or conduct quality assessment and improvement activities.

- **Legal Compliance**—to comply with applicable law. For example, we may be required to use or disclose information about you to respond to regulatory authorities responsible for oversight of government benefit programs or our business operations; to parties or courts in the course of judicial or administrative proceedings; or pursuant to workers' compensation laws.
- **Government Agencies**—under limited circumstances established by law, to public health authorities, coroners or medical examiners, law enforcement, or other government officials
- **Research**—for health-related research studies that meet legal standards for protection of the individuals involved in the studies and their personal information. We may also create a database of our members' information that does not include individual identifiers and use the database for research or other purposes, provided that the information cannot be traced back to specific members.
- **To Your Employer** (or other plan sponsor), if applicable, for administration of its health plan. This applies only if you receive coverage through an employer-sponsored plan (or plan sponsored by your union or other entity). For example, we may disclose information about you to your employer (or other plan sponsor) to confirm

enrollment in the plan or (if the employer or other plan sponsor is self-insured) for claim review and audits. We will disclose your information only to designated individuals. That, along with legal prohibitions on use of your personal information for discriminatory purposes, helps protect your information from unauthorized use.

To carry out these purposes, we share information with entities that perform functions for us subject to contracts that limit use and disclosure for intended purposes. We use physical, electronic, and procedural safeguards to protect your privacy. Even when allowed, we limit uses and disclosures of your information to the minimum amount reasonably necessary for the intended task.

The Health Insurance Portability and Accountability Act (HIPAA) generally does not override other laws that give people greater privacy protections. As a result, we must comply with any state or federal privacy laws that require us to provide you with more privacy protections. For example, federal law provides special protections for substance use disorder information; Massachusetts state law restricts the disclosure of HIV and AIDS related information. In addition, we will not use (and are prohibited from using) your genetic information for underwriting purposes.

OTHER DISCLOSURES REQUIRE YOUR WRITTEN AUTHORIZATION

Except as provided in this notice, we will not use or disclose information about you without your written authorization. For example, we must have your written authorization to use or disclose your information for marketing purposes or (in most cases) to use or disclose psychotherapy notes. Although we would need written authorization to sell information about you, we do not sell members' information.

You may revoke your authorization at any time. Your authorization must be in writing. Your revocation will not affect any action that we have already taken in reliance on your authorization. If you would like us to disclose information about you to a third party, please complete the Permission for One-Time Disclosure of Information form available on our website or call Member Service for a copy of the form.

YOUR PRIVACY RIGHTS

You have the following rights with respect to information about you. You may exercise any of these rights by calling the Member Service number listed on your member ID card or contacting us at the address listed at the end of this notice. The forms listed below are also available on our website.

- **You have the right to receive information about privacy protections.** Your member-education materials include a notice of your rights, and you may request a paper copy of this notice at any time.
- **You have the right to inspect and get copies of information that we use to make decisions about you.** This is your designated record set. Your request must be in writing. We may charge a reasonable fee for copying and mailing you this information. Please complete the Request for Access to Copies of Protected Health Information in Designated Record Set form to request copies of your information.
- **You have the right to receive an accounting of certain disclosures that we make of information about you.** Your request must be in writing. Please complete the Members Request for an Accounting of Disclosures form. Our response will exclude any disclosures made in support of treatment, payment, and health care operations or that you authorized (among others). An example of a disclosure that would be reported to you is our disclosure of your information in response to a court order.
- **You have the right to ask us to correct or amend information you believe to be incorrect.** Your request to correct or amend information must be in writing. Please complete the Members Request to Amend Protected Health Information form. If we deny your request, you may ask us to make your request part of your records.

- **You have the right to ask that we restrict or refuse the disclosure of information about you and that we direct communications to you by alternative means or to alternative locations.** While we may not always be able to agree to your request, we will make reasonable efforts to accommodate requests. Unless you've notified us to request a different mailing address, Summary of Health Plan Payments statements for the subscriber, and all members listed on the subscriber's plan, are generally delivered to the subscriber's address. Under certain circumstances, you can request to not receive statements for a particular service, or to have statements delivered through an alternate method or to an alternate address, when required by state law. If you have concerns about protecting the privacy of your medical information in your

statements, you can have these statements delivered to an address other than the plan subscriber's address, or have them delivered only via electronic means. For help understanding your delivery options, please call Member Service at the number listed on your member ID card. Your request and any subsequent revocation must be in writing.

If you believe your privacy rights have been violated, you have the right to complain to us using the grievance process outlined in your benefit materials, or to the Secretary of the U.S. Department of Health and Human Services, without fear of retaliation.

What Is Coordination of Benefits?

If you have more than one medical or dental insurance plan, you are required to provide this information for your plans to work together, so your claims can be processed correctly and you can get the most out of your coverage.

You May Need Coordination of Benefits If:

- You and your spouse each have a separate insurance plan through your employers
- Your child has an insurance plan through his or her school, and also through you or an employer
- Your child has multiple plans as the result of a divorce or custody arrangement
- You or a family member also have coverage with Medicare.

When you have more than one insurance plan, one plan is designated as your primary plan and will pay your claims first. The other plan(s) will pay toward the remaining cost, according to your benefits. Federal and state rules typically determine which plan is primary.

If You Have More Than One Medical and Dental Plan

- Call each insurer to let them know that you have more than one plan. They can tell you which is primary and which is secondary. Be sure you have your ID cards ready.
- When you visit a doctor, dentist, or hospital, present all of your insurance cards to the office on the day of your visit. They'll need this information to determine which company to bill primary and which to bill secondary.
- If one of your insurance plans is canceled, you will need to inform the other plan(s).

Blue Cross Blue Shield of Massachusetts complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, sex, sexual orientation, or gender identity.

ATTENTION: If you don't speak English, language assistance services, free of charge, are available to you. Call Member Service at the number on your ID card (TTY: 711).

If You Have Questions

For Coordination of Benefits, please call 1-888-799-1888.

If You're Turning 65 Years Old and Thinking About Medicare:

- Call Medicare directly at 1-800-MEDICARE (1-800-633-4227).
- If you sign up, call 1-800-839-8991 to submit your Medicare information. If you don't, your claims could be delayed or processed incorrectly.
